LIGHTING AND ACCESSORIES

Switches & Accessories

Works with MRH
111, 115 and 104

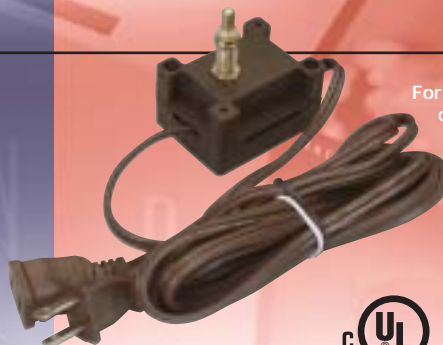

Rotary Dimmer Switch
To be connected into primary lead.
120 V AC / 60-300 W

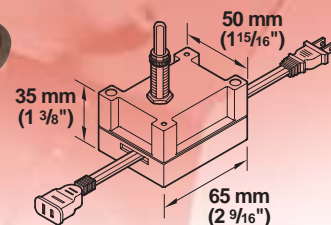

Color	Product No.
white	499.100.00.0075
black	499.100.00.0090
chrome	499.100.00.0033
brass	499.100.00.0041

Quantity: 1

For 120V primary
connection

Push Switch Harness

Input: 2.4 m (8') power cord, Output: 610 mm (24") cord
with female plug. Junction box: on/off push switch.

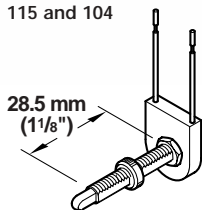

Color	Product No.
brown	499.100.00.1058

Quantity: 1

Works with MRH
111, 115 and 104

Push Switch On/Off with 152 mm (6") wire
6A / 125 V AC, single circuit sequence on/off.

Color	Product No.
chrome	499.100.00.1033
brass	499.100.00.1041

Quantity: 50

For 120V primary
connection

Extension Cord
2.4 m (8') with male/female plugs

Color	Product No.
brown	499.800.00.0858

Quantity: 58

Hole Drill
For halogen light applications, 54 mm (2 1/8")
hole boring

Color	Product No.
black	499.354.00.0000

Quantity: 1

Secondary extension lead
With AMP plug connectors, 2 m (6' 6 1/2")
For low voltage lights only.

Color	Product No.
black	499.800.00.0800

Quantity: 1
